Most shorted this week in Europe is Petroleum Geo Services with 15.6% of shares outstanding on loan.

Shares in the company have continued to decline after oil prices halved leading into 2015. Shares have fallen by 58% in the past 12 months alone as oil prices have yet to fully recover.

Fingerprint Cards **features** yet again among the most shorted stocks in Europe with shares seeing less momentum in the past six months after an impressive rally in 2015.

Despite shares rallying by 43% in the past two weeks, short sellers continue to hold onto positions in Leonteq, a Swiss financial technology company. Short interest has increased almost tenfold in the past year, with 10.6% of shares currently outstanding on loan, a record high.
