

## IHS MARKIT TECHNOLOGY INTELLIGENCE SERVICE

# Discrete Machine Safety Components - Annual

Monitor and analyze important trends, gauge market shifts, and make informed business decisions.

### COVERAGE

- 5-year Forecast
- 20+ Industry Sectors
- Regional market shares
- Revenues
- Shipments
- Average Selling Prices
- Market Shares
- Key Trend Analysis

#### Flagship Product

Comprehensive report and accompanying database, updated once per service year.

#### Market Briefs

Studies addressing key trends throughout the year.

#### Analyst Insights

Client-exclusive commentary on developments throughout the year.

#### Analyst Access

For prompt responses to urgent and unique questions

### Clients of this service will receive:

**Discrete Machine Safety Components Report** – Updated once per service year, this report provides detailed, up-to-date qualitative and quantitative analysis of discrete machine safety components markets.

The report covers the global market by product type, region, industry sector, networking technology, protocol, and more. Country-level market data and market shares are also provided.

**Market Briefs** – Three additional studies provide analysis throughout the year on larger industry trends and developments impacting the market. Market briefs are approximately 15 pages.

**Analyst Insights** – These blog-style entries provide exclusive commentary on industry events or other developments throughout the year.

## Research Coverage
