

# Acrylic Acid and Acrylates

# Contents

## **Introduction**

Preface and Contact List

Products Covered

## **Executive Overview**

Background

Acrylic Acid

- Current Situation
- Industry Forecast and Strategic Issues
- Supply
- Demand
- Cost Competitiveness
- Trade

Acrylates

- Current Situation
- Industry Forecast and Strategic Issues
- Supply
- Demand
- Cost Competitiveness
- Trade

## **Production Process Overview**

Introduction

Production Process Overview

- Acrylic Acid - Two-Stage Propylene Oxidation Process
- Glacial Acrylic Acid - Crystallization Processes
  - Basic Crystallization
  - Static and Falling Film Crystallization
- 2-Ethylhexyl Acrylate - Continuous Esterification Process
- Butyl Acrylate - Continuous Esterification Process
- Ethyl Acrylate - Continuous Esterification Process
- Methyl Acrylate - Continuous Esterification Process

## **Production Economics**

Explanatory Notes

Production Economics Tables

## **World Trade**

Introduction

Acrylic Acid Trade Grids

2-Ethylhexyl Trade Grids

Butyl Acrylate Trade Grids

Ethyl Acrylate Trade Grids

Methyl Acrylate Trade Grids
