With strong roots,
we're green
and growing.

At Acme-Hardesty, we nourish our relationships to serve our customers with an ever-branching network of connections around the globe. Since our beginnings 75 years ago as a division of Jacob Stern & Sons, those relationships have focused on sustainable, bio-based products. We embrace this approach because we believe what we do makes a difference – to each other, to our customers, and to the future of our planet.

It's only Bio.Logical. to contact us: (800) 223-7054

energizing *better* cleaning

2018 ACI Convention

The World of Cleaning in One Convenient Place

January 29 – February 3, 2018, Grande Lakes Orlando, Florida

“The ACI Convention is, by far, the most relevant forum for the cleaning products industry.”

– STEVE BOLKAN,
CHURCH & DWIGHT

“You gotta be there!”

– NEIL BURNS,
P2 SCIENCE, INC.

The global cleaning product supply chain's #1 business event, featuring:

- Can't-miss Business Networking Events
- Innovation & New Technologies Showcase
- Brand New Consumer Insights Panel
- In-depth Policy & Global Issues Briefings
- Opportunities to Give Back by Supporting “Clean the World”

Not an ACI member? Contact membership@cleaninginstitute.org for more details.

Questions? Contact meetings@cleaninginstitute.org

When you need high-purity
ethyl alcohol
for personal care...

You've come to the right place. Since 1943 Grain Processing Corporation has supplied consistent, high-purity ethyl alcohol to the personal care market. And of course we offer a full complement of sensory, analytical and customer service to back up every order. You can rely on GPC for quality and value with delivery that's on time and hassle-free.

U.S. Produced | Gluten Free

Taking product inspiration further

Experience the Pilot difference

Pilot Chemical Company has been a provider of high-quality surfactants, quaternary compounds and specialty chemistries that inspire a wide variety of applications and industries around the world for more than 60 years.

Our anionic, cationic, amphoteric, and nonionic chemistries are specifically designed to deliver exceptionally high performance, low color, and high purity, making them the go-to choice for product innovations.

Surfactants | Quats | Specialty Chemistries

Charkit Chemical Company

The Specialty Chemical Specialists

Founded 35 years ago, Charkit Chemical Company continues to grow while remaining a reliable source of specialty chemicals and services to markets such as:

- Personal Care
- Metal treatment
- Water treatment
- Nutritional
- Flavor & Fragrance
- Pharmaceutical
- Agriculture
- Electronics
- Imaging/Photographic
- Food
- Aroma
- Industrial
- Power Generation

Some of our services include product development, manufacturing, and distribution solutions. Through our partners, such as Optima Chemical Group, we offer custom synthesis, contract and toll manufacturing, process development, as well as advanced intermediates to the pharmaceutical and agricultural industries worldwide.

Whether you are looking for a world-class distributor, or the perfect ingredients for your product, Charkit is eager to be the partner you need to help your business grow.

Contact us today to learn how we can help you.
