

IHS Jane's is now

Jane's
By IHS Markit

IHS Jane's is now **Jane's by IHS Markit**. With a legacy of more than 100 years, Jane's is one of the world's most trusted providers of open-source intelligence and deep market insights for aerospace, defense and security (AD&S).

NAVAL

The Naval Platforms team produces reference flagship Jane's Fighting Ships, is responsible for the company's global naval news coverage, mostly through Jane's Navy International, and first-rate market forecasting of warship production and naval requirements.

AVIATION

Globally-based insight for the defence aerospace sector, covering contemporary issues like UAV growth, Chinese Air Force modernisation and fifth-generation fighter development, underpinned by forensic reference and forecast analysis.

WEAPONS & PLATFORMS

The Weapons team delivers a range of reference products covering offensive weaponry from the smallest calibre ammunition up to strategic weapon systems, as well as forecasting the Missiles and Precision Guided Weapon markets.

MILITARY GROUND VEHICLES

Comprehensive and exclusive reporting of global land warfare platforms complemented by analysis of key topics including Russian armoured vehicle developments, emerging UGV technologies and military vehicle market opportunities.

MILITARY CAPABILITIES

Global tri-service capability assessments, the world's most comprehensive, geo-enabled military data layer (bases, inventories, ORBATs), and in-depth insight into key topics such as NATO responses to Russian military activism.

Jane's
By IHS Markit

Comprehensive coverage of C4ISR and Mission Systems worldwide, including reporting of emerging technologies, ten year markets forecast, and detailed technical reference.

C4ISR, MISSION SYSTEMS & COMMS

Jane's Terrorism and Insurgency Centre (JTIC) provides broad and deep coverage and analysis of the activities of non-state armed groups worldwide, including a granular events database, detailed group profiles, and daily/ weekly/ monthly/ quarterly insight and analysis pieces.

TERRORISM & INSURGENCY

Jane's 360 Team

Jane's Show Daily Team

Analysis of strategic military WMD capabilities including production and policy development, and the threats posed by both nuclear proliferation and the illicit trafficking of chemical, biological, radioactive and nuclear materials.

CBRN

Provides news, analysis, market reports, data and forecasts on over 100 countries, giving a complete picture on emerging and mature defence market trends.

DEFENCE INDUSTRY & BUDGETS

Led by the Award winning Jane's Defence Weekly, our daily regional security insight provides an unequalled record for pinpointing geopolitical threats, revealing new weapon technology and analysing global military and defence activity.
