

Global 2016 PV inverter supplier rankings

- **SMA** remained the largest supplier, increasing its market share for the first time since 2008
- **Sungrow** accounted for one in every five central inverters in 2016
- **Solaredge** became the largest supplier of single-phase inverters in the world
- **Fronius** re-entered the top-ten for the first time since 2012
- **Huawei** shipped more inverters than any other supplier and accounted for nearly half of string inverter shipments
- **TMEIC** was the biggest non-Chinese market share gainer, becoming the fifth largest supplier

Note: Based on market share in terms of revenues unless otherwise stated
