

SPAB 2018: Horizon 2025

New Orleans, Louisiana February 25-28, 2018

Formed in 1976, SPAB is comprised of standards development organizations and industry leaders.

Each year, the advisory board organizes a meeting to discuss matters impacting standards development, publishing and distribution. The agenda is formed by the annually rotating SPAB Chairperson, under direction from the active SPAB membership. The conference brings together Standards Development Organizations and National Standards Bodies, Customers that (1) participate in the standards development process; or, (2) apply standards in product design and development, third parties influencing the community (technology providers, publishers of reference material, industry advocates), and IHS Markit.
